

Come to my

Fairy Party!

Come to my

Fairy Party!

Far, far away in a magical place,
 sits a small little fairy, with her soft smiling face.
 She waits for her friends in the warm summer sun;
 won't you come on to join the fun?
 With fun foods to eat and fun games to play,
 your arrival at will make 's
 day.
 She anxiously waits, as each day passes by,
 while her fairy parents await your reply"
